IMPORTANT CHANGES DURING THE YEAR

Report changes of any of the following types:

1. Acquisitions.

2. Leaseholder changes.

3. Extensions of service.

4. Estimated changes in revenues due to rate changes.

5. Obligations incurred or assumed, excluding commercial paper.

6. Formal proceedings with the Public Service Commission.

7. Any additional matters.

The utility was formed in 1996. Water is supplied by the City of Edgerton under an intergovernmental agreement. Water mains were installed and owned by the City of Edgerton. The utility paid \$37,000 for sizing the mains at 6 inch rather than 4 inch. The utility borrowed funds for this oversizing. The intergovernmental agreement with Edgerton calls for, among other things, the ownership of the 4 inch mains to transfer to Fulton after 20 years. The other utility plant (meters, computer, and miscellaneous) were paid for by the settlement fund and therefore recorded as contributions in aid of construction. The settlement fund also paid for initial operating expenses. This recovery has been recorded as other operating revenues.
